

# Transport Governance Consultation Response Form

Please read **Transport Governance: A consultation on future arrangements in Greater Manchester** before sending us your comments.

It would be helpful to if, in commenting, you could answer the following questions 1 to 7.  
If, however, you would prefer to submit a general comment only, please do so by answering question 7.

1 Do you agree with the analysis presented in the document concerning:

a) The relationship between the strategic role of AGMA and the transport commissioning and delivery roles (see paragraphs 13 to 17)

b) Constitutional arrangements (paragraphs 18 to 20)

c) Functional changes (paragraphs 21 to 26)

d) Geographic scope and boundaries (paragraphs 27 and 28)

2 Do you agree that the 3 main categories of options identified in the document (paragraph 30) are comprehensive?

YES/NO

If **no**, do you think there are others? Please identify these and let us have your views on them.

3 Please give us your views on **Category A** based models (paragraphs 31 and 32). Both models retain the GMITA in its current form. If you support either of these models, please explain why.

4 Please give us your views on **Category B** based models (paragraphs 33 to 35). All models retain the GMITA though with various changes to its size and functions. Again, if you support any of these models, please explain why.

5 Please give us your views on **Category C** based models (paragraphs 36 to 38). Both models propose a Combined Authority. Again, if you support either of these models, please explain why.

6 Do you have any comments on the analysis of delivery arrangements presented in the report paragraphs 39 to 41)?

7 Do you have any other comments?
